\* If the currency of your transaction does not match any of the Currencies on your Card, or there are insufficient funds on your Card in a Currency to cover the whole transaction, the (remainder of the) transaction amount will be exchanged to another Currency (-ies) on the Card in the order of priority, at an exchange rate determined by MasterCard® on the day the transaction is processed, increased by 5.75% (the foreign exchange fee).

^ If the Currency of your transaction matches one of the Currencies on the Card and there are sufficient funds in that Currency to cover the whole transaction, the ATM fee for that Currency will be applied. If the Currency of your transaction does not match one of the Currencies on the Card or there are insufficient funds in the relevant Currency to cover the whole transaction, then the GBP ATM fee will be applied and will be converted into the last Currency being used to fund the transaction at a foreign exchange rate determined by MasterCard on the day the transaction is processed.
